

Now, you can “roll over” retirement funds—up to \$100,000 each year in 2006 and 2007 only—directly to the Free Medical Clinic without income tax liability. This is an incredible window of opportunity for you to have a huge impact on the mission of the Free Medical Clinic—and in the health care of our fellow community members in need.

If you are interested in exploring this idea further, we’d be delighted to talk with you, and we encourage you to discuss it with your financial advisor and retirement-plan administrator.

Regardless of *how* you choose to support the Iowa City Free Medical Clinic, please know that your assistance is essential. Your contributions—combined with those of many other caring community members—are a gift of health-care security for local residents who can’t afford health insurance.

Thank you for supporting the Free Medical Clinic. Please make your gift by year’s end!

With much appreciation,

Handwritten signatures of Sandy Pickup, Barbara Vinograd, and Maureen Connolly.

P.S. If you haven’t yet come by our new facility at 2440 Towncrest Drive on the east side of Iowa City, please drop by. We think you’ll be impressed—and reminded of why our services are deserving of your ongoing generous support. Happy holidays!
